SYNOPSIS

The most incredible American Human Rights Story *never* told: A FIRE WITHIN tells the powerful true story of three Ethiopian women who survive brutal torture and interrogation, flee to the U.S. and then make a shocking discovery: they discover that their torturer is not only living in America...*he is working alongside one of the women at her new waitressing job in Atlanta, Georgia.*

A FIRE WITHIN is an unforgettable saga about three inspiring survivors who take a stand to make their voices heard and their heart-stopping attempt to bring their own torturer to justice in America.
